Nursery & Landscaping

***Aglaonema* or Chinese Evergreen Care & Planting Guide**

There are no warranties on house plants. However our staff is happy to assist with any additional cultural questions.

There are **no returns** on **discounted** plants or any tropicals.

Keep your sales slip. Sales slip or other proof of purchase must be presented to receive credit.

Store credit or exchanges must be made within 24 hours of purchase.

CARE:

Temperature: Average Warmth minimum 60°F

Light: Medium to Low Light, Indirect Sunlight

Water: Water thoroughly but allow the top 1" of soil to go dry before watering again. Use water that has been sitting out for 24 hours. Do not allow plants to sit in water.

Air Humidity: Mist leaves frequently to avoid leaf tips from browning.

Bloom: Not significant

Repotting: Only repot plants in the Spring every 3 years. Do not repot plants in containers that exceed more than 2" diameter greater than the old container. For example: If you are repotting 4" houseplant it should be re-potted into a 6" container.
