Due to the loss of one of our greenhouses, we are now growing our pre-ordered tomatoes at a different location. Tomatoes will not be readily available for pick-up at Sylvan Nursery unless pick up arrangements are made within 24 hours of desired pick up time. In that time, we will deliver your tomatoes to Sylvan Nursery to be picked up by you. If you are unable to make your previously established pick-up time, you must notify us as soon as possible. It is not possible for us to hold your tomatoes on site due to space limitations.

Pick up arrangements must be made between May 15 and May 30, 2018.
